Farewell and Welcome,

It is with sadness and excitement that Mike and Tekla Haydock share the news that they have sold their retail propane business, Redigas, Inc. The new owner is Lakes Gas Co., headquartered in Forest Lake, MN. Lakes Gas is a family owned and operated company servicing MN and WI since 1959.

Redigas would like to take this opportunity to thank all of their customers (some for many years and some for only a short time) for the confidence they placed in them to provide their propane needs over the years. You will continue to see the same drivers and service technicians at your door during those long and cold winter days and you will continue to talk with the same welcoming office staff.

We at Lakes Gas Co. want to welcome each and every customer and assure you we will honor all agreements such as prepaid gas and credits on your account. Our job is to supply you with the best possible service that we can. Visit us at www.lakesgasco.com to learn more about our company and services. During the transition period over the next few weeks please feel free to call the office at 920-261-3043 and talk with the current office staff for propane delivery or service or with any questions or concerns.

Again Farewell and Welcome.
